# A SUCCESSFUL PHOTOSHOOT

**Burton-Sage Photography & Video would like to form a partnership with your dance school to provide a beautifully produced photoshoot.**

OUR PHOTO SHOOTS ARE TOTALLY PROFESSIONAL, WITH THE SATISFACTION OF OUR CLIENTS IN MIND. THERE ARE NO ANNOYING LINES OF STUDENTS FILLING OUT ORDER FORMS. ALL ORDERING IS DONE ON-LINE AT OUR WEBSITE- AT THEIR CONVENIENCE!

### Here's How It Works!

The students pay a \$15 "sitting fee" for every costume they want to be photographed in. BUT- when they place their order, they receive a \$20 credit for every sitting fee they paid. Think of it as a \$5 gift from me! If they don't want an individual photo taken, they can still be in all group shots with no sitting fee charges. This way everyone will always be in all of the group shots.

With Burton-Sage, you get a professional photo shoot for the kids with beautiful backdrops and professional lighting. Besides dance poses, we encourage them into "fun, model, and glamour poses too." Believe me, the girls really get into posing this way and are egging each other on and having a ball. All photos are then displayed in a password protected photo gallery at my website. Everyone can view and order their photos online and see each other's pictures too! They really have a lot of fun with telling each other how beautiful their photos and poses were- AND they spread the word quickly on facebook, emails, kindles, iphones, ipads, etc. I work for sales only- the students/parents pay- not the dance school.

ALL PHOTOS ARE MAILED DIRECTLY TO THE STUDENT'S HOME. THE DANCE SCHOOL NOW ISN'T BURDENED WITH HANDING OUT PHOTOS!

**We bring beautiful backdrops and multiple lights with softboxes to the shoot. We want your students to look special! We also take multiple poses for each shot so the students have their choice when ordering.**
